### PROFESSIONAL SUMMARY

Motivated Cybersecurity student at Bahir Dar Institute of Technology with strong interest in ethical hacking, network security, and web application security. Skilled in problem solving, teamwork, and learning new technologies quickly. Passionate about cybersecurity projects, vulnerability assessment, and building secure systems.

### EXPERIENCE

#### Student Cybersecurity Research & Practice, *Researcher/Practitioner*

- Practiced ethical hacking concepts in lab environments
- Participated in security-related coursework and practical exercises
- Learned secure coding and vulnerability analysis

### EDUCATION

**Bahir Dar Institute of Technology**, *Bachelor's Degree in Computer Science / Cybersecurity*

### TECHNICAL SKILLS

**Cybersecurity** (Network Security • Vulnerability Assessment • Penetration Testing Basics • SQL Injection Testing) | **Programming** (HTML • CSS • JavaScript • PHP • Python • SQL) | **Tools** (Kali Linux • XAMPP • VirtualBox • Wireshark • Nmap)

### LANGUAGES

English, Amharic

### CERTIFICATES

**Try hack me** (Advent of 2024)

### PROJECTS

#### Database Security Lab

Performed SQL injection testing in a controlled educational environment using PHP and MySQL.

#### Security dashboard

Security Dashboard Project

Developed a security dashboard project focused on monitoring and visualizing cybersecurity-related activities and system information. Worked with frontend design, dashboard interfaces, and security-oriented UI components
